Dudek Reality as Represented by Pat Mountfort - 333 Central Street

Chair Bob Morin invited Pat Mountfort to speak. Dudek Realty requests Heritage Commission approval to effect exterior improvements to the building at 333 Central Street, identified as Tax Map/Lot #117-057, as represented in the Application for Review and Public Hearing of October 24, 2007.

The Commission requested clarification on details of the application as the numbered listing of proposed improvement did not precisely match the accompanying diagrams. Ms Mountford provided the appropriate clarification.

Discussion ensued regarding the color of the vinyl siding and proposed shutters, after which Bob Sharon moved and Annette Andreozzi seconded that:

“The Heritage Commission approve said application with the condition that the vinyl siding will be of Platinum Grey color, as indicated by the sample provided, that the shutters will be black, and that proposed changes to the color of the sign above the front door will no longer be considered.”

The vote was taken and passed.

Adjournment

The meeting was officially adjourned at 6:40pm.

Respectfully submitted,

Bob Morin, Chair
