

DOWNTOWN FRANKLIN PUBLIC PARKING

The map shows all of the off-street municipal parking lots in solid black. All of these are all-day (no overnight) parking with the exception of the lot cornering on West Bow St/Central St, that one is 2-hour parking only. Some of the parking lots have leased spaces reserved. The user is responsible for reading and abiding by all posted signage. This map does not show on-street parking. Those spaces are self-explanatory.
