Council in attendance: Mayor Jo Brown, Councilor Jay Chandler, Councilor Leigh Webb, Councilor Bob Desrochers (via telephone), Councilor George Dzujna, Councilor Valerie Blake, Councilor Ted Starkweather (via telephone), Councilor Vince Ribas and Councilor Olivia Zink

Absent: Councilor Paul Trudel

Others in attendance: City Manager Judie Milner, City Department Heads, and members of the public.

Mayor Brown called the meeting to order in Council Chambers at 6:02 p.m.

Salute to the Flag was led by Councilor Dzujna.

Public Hearings:

Regarding the discontinuance of a portion of Punch Brook Road, a Class 6 highway, extending from the westerly side of parcel 059-002-00 to the westerly side of 083-401-00.

Mayor Brown opened the public hearing at 6:04 p.m.

Milner explained that this is a piece that is already discontinued and this is just a smaller piece of that Class 6 road., as one of the abutters would like some of it to be continued again.

The attorney for Joan Emerson read a statement from his client thanking the council for taking another look at this.

Jason Grevior of the Lakes Region Snowmobile Club asked for some consideration for what they are trying to do with their sport. They do use the Class 6 roads as well.

The public hearing on closed at 6:09 p.m.

Mayor Brown moved the second agenda item up to take a vote.

Agenda Item II.

Council to consider the discontinuance of a portion of Punch Brook Road, a Class 6 highway, extending from the westerly side of parcel 059-002-00 to the westerly side of 083-401-00.

Motion – Councilor Webb moved that the Franklin City Council approve the discontinuance a portion of Punch Brook Road, a Class 6 highway, extending from the westerly side of parcel 059-002-00 to the westerly side of 083-401-00, thereby redefining the extent of discontinuance voted on July 12, 2021. Seconded by Councilor Dzujna.

City Council APPROVED Meeting Minutes – March 27, 2023 Page 2 of 5

Mayor Brown asked if there was any discussion on this motion.

Councilor Webb asked P&Z Director Creighton if he could give a more detailed explanation.

Creighton stated that in July of 2021 the City Council approved discontinuance of a portion of Punch Brook Rd. An abutter appealed this decision to the Court and the Court ultimately sent this case to mediation. At mediation the appellant and the City reached an agreement to discontinue a smaller portion of Punch Brook Rd.

Creighton did let Mr. Grevior know that this is more of a benefit for snowmobiling, since the path does not actually go all the way through this portion of the discontinuance.

Agenda Item I.

Council to consider the City Manager's contract.

Mayor Brown explained that this was being voted on again at this meeting because it was brought to the attention of a councilor that calling an absent councilor to vote when he was not participating in the amendment vote may not have been appropriate.

She also reminded the council that the pay raise in the revised contract will not be effective until July 1, 2023, just like all other employees and that Milner has asked for the lowest level base pay per the Pay & Class study.

Motion - Councilor Ribas moved that the Franklin City Council reconsider the vote of the City Manager's contract. Seconded by Councilor Chandler.

Mayor Brown asked if there was any discussion on this vote.

Councilor Webb asked for clarification on whether the Pay & Class study would have any effect on this if implemented and the answer was no.

Agenda Item III.

Pay & Class Study Discussion

Milner stated that the Pay & Class study was completed by Municipal Resources, Inc. in October of 2022. This study will keep Franklin's wages competitive with other communities. She also handed out some new projections to the council as well, which are attached to the end of these minutes.

She explained that under the new FY24 projections the employee wages show the funds below as being the general fund, which is supported by the tax payer's dollars and the water and sewer enterprise funds, which are supported by the users. Milner proceeded to read through the spreadsheets that she passed out.

A lengthy discussion ensued on all of the presented options.

Agenda Item IV.

Other Business.

Milner stated that she knows there have been a lot of comments and questions on the Economic Development team about the recommendation for a \$20M bond. She would like to put together

another public forum on April 24th on this subject to be able to answer questions and go over more details. She gave the council a handout giving them some points that they can present to the public should they have any questions. This handout is included at the end of these minutes.

Milner went over the meeting schedule for April and May after some input from the council:

- Monday, April 3rd City Council Meeting
- Monday, April 10th Meeting CANCELLED
- Wednesday, April 19th Public Forum: Budget 101
- Wednesday, April 24th Public Forum: Economic Development Presentation
- Monday, May 1st City Council Meeting (Will be receiving the City Manager's Budget)
- Wednesday, May 3rd School Budget Presentation
- Monday, May 8th Municipal Budget Presentation (Part I)
- Monday, May 15th Municipal Budget Presentation (Part II)
- Monday, May 22nd Municipal Budget Presentation (Part III)

All meetings will be held in Council Chambers at 6pm.

The Pay & Class study will be presented at the May 8th meeting with the consultant present.

Milner also reminded the council that open enrollment occurs when they make changes, which this health insurance proposal will be a change with the 10% copay. So, if they vote on the budget in July, they aren't going to see that happen until 30 days after, for a change on September 1st. If the council can vote in June, the earlier adoption would be better for enrollment.

Milner stated that the Assessing Technician asked her to remind the public that the deadline for applying for the Elderly Tax exemptions and Veteran's credits is April 15th.

Councilor Ribas let the council know that the Manager Evaluation Committee met last week and they decided that they would like to come up with a questionnaire for department heads/employees and a separate one for councilors to be able to complete the 360 review. He asked the council if they had any objections with going forward with this and there were none.

Mayor Brown asked if there were any other topics that needed to be discussed. No other discussion ensued.
