*August 8, 2009*

*Present* Glenn Morrill, Pete LePage, Bob Morin,

*Absent* Roy Gilbreth, Ann Kegley, Robert Leighton

*Next meeting:* September 8, 2009 7:00 pm, GAR Hall

---

Meeting Called to order 7:05 PM at VMRA

### **I Old Business**

Follow-up from Jim Bolduc from Lepene Engineering on the wetland and water ways mapping that they are proposing. Jim left members of the Commission maps of the city of Franklin to look over and to make any suggestions, or point out any omissions that may be on the map. Jim Bolduc will be at the September meeting to get this information.

Glenn Morrill to get together with the City Forrester to discuss what steps will have to be taken to go ahead with the widening of the snowmobile trails in Great Gaines Forest by the Snowmobile Club.

Bob Morin briefed the Commission on renewed talks of re-organizing the Webster/Highland Lake Watershed Partnership and said he would keep the Commission updated as he learned more.

### **II New Business**

Alan Carrigan, on behalf of the Army Corps of Engineers, presented a permit request from DES to repair a collapsed culvert which was part of an existing snowmobile trail on Army Corps land. After discussion Robert Morin made a motion to go ahead and give the Commission's approval for the project. Motion seconded by Pete Lepage and passed.

The Commission reviewed letter from DES dated June 25, 2009 on a permit to make foundation repairs to an existing boat house By Shelia Sweeney 9 Grovers Ave Franklin, NH File # 2008-00436

Meeting was adjourned at 8:31 PM
