FROM  **Harvard Pilgrim  
HealthCare**

IMPORTANT INFORMATION FOR HARVARD PILGRIM MEMBERS

## Cutting medical costs is easy: Just call SaveOn

### How SaveOn works

- 1** Call **(855) 7SAVEON (855-772-8366)** whenever your doctor recommends an outpatient test or procedure such as:
  - Bone density study
  - Colonoscopy
  - Lab work
  - Mammogram
  - Radiology (e.g., MRI and CT scan)
  - Ultrasound
  - Other non-emergency outpatient tests and procedures
- 2** SaveOn's team of nurses lets you know if there are any lower-cost, Harvard Pilgrim-participating providers available in your area. They can even reschedule the appointment and help you with any necessary paperwork.
- 3** Choose one of the lower-cost providers, have your test or procedure and earn a cash reward. Remember to call each time you or your family require eligible medical tests and procedures.

**Call (855) 7SAVEON (855-772-8366)**
