

City of Franklin

316 Central Street

Franklin, NH 03235

Official Press Release

With an abundance of caution due to multiple reports of the odor of gasoline on Central Street, the Franklin Emergency Operation Center has been activated. **As a result, all residents and occupants are ordered to evacuate all residences and businesses on both sides of Central Street; at the present time this will include 330 Central Street (Asian Delight) to 440 Central Street (Grevior's Furniture).**

It is requested that all who are affected by the evacuation make other housing arrangements during this time. Those arrangements could be with family or friends. If those are not immediately available, please contact (603) 934-2535 ext. 0 (Franklin Police Dept). All media inquiries should be directed to the Franklin Police Department.

As more information develops, updates will be posted on the City of Franklin's website, Nixle, and major news outlets.

We request complete cooperation for the safety of all involved.

Resources activated include: Franklin Fire Department, Franklin Police Department, NH Fire Marshall's Office, Franklin Municipal Services, NH Department of Environmental Services (DES), and Franklin City Government.
