The City's own Parks & Recreation Director, Krystal Alpers, is awarded the Business & Professional Women 2017 Women of Achievement Award

On November 15th Mayor Elect Giunta and I had the honor of attending the Business & Professional Women's (BPW) annual Woman of Achievement ceremony where our very own Krystal Alpers, along with Deborah Tessier from Franklin Savings Bank, won the 2017 Woman of Achievement award.

BPW defines excellence as "going far beyond the call of duty, doing more than others expect.... This is what excellence is all about. And it comes from striving, maintaining the highest standards, looking after the smallest detail, and going the extra mile. Excellence means doing your very best. In everything. In every way". This definitely speaks to the work done by Krystal Alpers in both her professional and personal lives.

The BPW Woman of Achievement Award selection criteria includes a woman who is outstanding in her career, lends assistance to other women in their advancement, gives guidance to youth and young career women, and provides leadership and service to her community. It's not hard to see why Krystal was selected! On the next page you will see some of Krystal's achievements, contributions and awards.

Krystal Alpers

Municipal Services Department

Director Brian Sullivan

Prepare for unpredictable weather and resulting road conditions before venturing out during or after a winter Snow and Ice Event. Please drive accordingly and have snow tires with good tire tread! The Municipal Services Department is prepared to deal with anything that falls from the sky.

The overnight winter parking ban on all City Streets is in effect November 1, 2017 and continues until April 1, 2018. No overnight parking on City Streets as well as during a snow emergency.

Due to a five year backlog of Road/Drainage maintenance projects the department finally had to prioritize over 127 projects. Such projects focus on maintaining passable roads and sidewalks as well as ditching and drainage repairs. After a great deal of consideration relative to service delivery and prioritization with respect the role of the Highway Division, we just could not set aside the 6 weeks it takes to pickup leaves.

A leaf drop off area remains open to City residents and contractors at the lower level entrance to the Transfer Station for leaf drop off on Rescue Road. Take a right on Rescue Road and the leaf drop off area is located on your immediate right before you get to the Franklin Animal Shelter. It is open Tuesday, Wednesday, Friday and Saturday from 7:30 a.m. to 3:00 p.m. and on Thursdays from 7:30 a.m. to 7:00 p.m. This was not an easy decision however residents have supported this change.

The City was awarded a \$250,000 Grant / Loan from the State of New Hampshire Department of Environmental Services to undertake the "Pleasant Street Pressure Reducing Vault Replacement Project". This project involves the replacement of a critical piece of City drinking water infrastructure.

For those that are not familiar with the Municipal Services Department I would like to give you an overview of our seven division department:

- The **Administrative Division** consists of three employees. This division coordinates all Municipal Services Department functions, scheduling all work and planning for the other six divisions.
- The five people **Highway Division** is responsible for the maintenance of 124 lane miles of City roads including tree maintenance, pavement maintenance, snow and ice control and the City drainage systems.
- The **Vehicle Maintenance Division** is made up of two employees that are responsible for the maintenance of over eighty on road City motor vehicles and numerous small engine apparatus.
- The **Solid Waste Division** has four employees that are responsible for operation of the City Transfer Station and our Curbside Collection of Trash and Recycling. They handle over 20,000 tons a year of municipal solid waste.
- The **Buildings and Grounds Division** is comprised of four employees that maintain ten City Buildings and over 75 acres of City grounds including ballfields, parks and public grounds along with the securing of tax deeded properties.

- The **Water Division** has four employees with an extensive public water system consisting of five water storage tanks, 57 miles of pipe, four wellfields, six pumping stations, a water treatment plant, four pressure zones, 2,315 service connections and accompanying water meters and over 350 fire hydrants.
- The **Sewer Division** has two full time employees responsible for over thirty seven miles of sanitary sewer lines and associated infrastructure with 1,845 connections. This brings us to a total of twenty four full time employees, many of whom are cross trained within the seven divisions that make up the Department.

We have one new full time employee within the divisions listed above: **Brian DeNutte** started with the Sewer Division full time on December fourth. Brian brings with him an extensive background in Municipal Public Works. Great addition to our team!!

The City continues with it's evaluation of our Sanitary Sewer Collection System. The initial findings have identified that during a high ground-water table an estimated 70% of all water infiltrating into the sewer pipelines is fresh water. We plan to televise a portion of the City's Sanitary Sewer Collection System during the upcoming spring of 2018.

Brian DeNutte

The quality of our recyclable materials is of great concern. Contamination of non- recyclable materials mixed in with household trash that is placed into your green lid recycling container is a significant issue. Please do not place glass or other non recyclables into the green lid container. Contamination results. Check the "Solid Waste Guidelines" which can be found on the City website within the Municipal Services Department section entitled "Solid Waste Division" at franklinnh.org.

May everyone have a safe Holiday Season. Drive safe and thank you for your continuing support of our Department.

Respectfully Submitted, Brian J. Sullivan, Director

HAPPENINGS AT THE FRANKLIN FIRE DEPARTMENT

Recent Promotions

Chief LaChapelle and the Franklin Fire Department are pleased to announce the recent promotions of Deputy Fire Chief Michael Foss and Captain Gregory Stetson.

Michael Foss promoted to Deputy Fire Chief

Deputy Foss assumed the Executive Officer role on December 4, 2017. Michael started here in Franklin on June 4, 2012. He started his fire service career as a student with the Laconia Fire Department while he was attending Lakes Region Community College. After finishing his Fire Science degree program he worked for the Plymouth Fire Department for a short time before going back to Laconia. While in Laconia, Michael obtained his national certification as a registered Paramedic. Michael's professionalism and skilled ability allowed him to advance at an accelerated pace. He will be finishing his Master's Degree program in early Spring 2018. Michael's roles as Deputy Chief will include; oversight of Fire Department Operations, Safety, EMS QA/QI and more importantly, ensuring that our department mission is carried out to our fullest ability. Deputy Chief Foss lives in Franklin with his wife and (4) children.

Gregory Stetson promoted to Shift Captain

Captain Stetson assumed the role as "A-Shift Captain" on December 4, 2017. Greg started his fire service career as a volunteer firefighter in Andover. He started his full-time fire service career in Hopkinton and later moving on to the Tilton FD. Greg is a graduate of Proctor Academy and has a degree in Criminal Justice and Fire Science. His passion for the fire service and commitment to the Franklin Fire Department never goes unnoticed. Captain Stetson's primary responsibility is to manage and safely mitigate emergency incidents. Captain Stetson lives in Andover with his wife and daughter.

Franklin Fire Department Welcomes Firefighter O'Brien!!

Aiden O'Brien is a 4th generation firefighter with deep roots to the Hooksett Fire Dept. He comes to Franklin Fire after spending two years with them as a full time firefighter/EMT. Aiden holds a A.S. Degree in Fire Science which will be helpful to us going forward. Aiden likes outdoor activities and enjoys spending time in the woods. We are very pleased that he joined the Franklin Fire Department team.

Ways to Cut Down the Holiday Stress

- Get adequate sleep (between 7-9 hours)
- Eat a vegetable: eating lots of cookies and candy can lead to fatigue
- Go for a walk
- Learning to say "no" more often will only leave us with more time to focus on what is most important.
- Avoid Setting the Standard of Perfection
- Set a budget: To come out of the holiday season financially fit, it is important to take a realistic inventory of what we have to spend and set a budget for each person on our list
- Schedule downtime for yourself
- Give in other ways: The most meaningful gifts are the gifts of time and attention.

Chocolate Dipped Pineapple Rings

Ingredients:

1/2 cup bittersweet chocolate chips

12 dried pineapple rings

2 TBSP chopped macadamia nuts

Directions:

1. Line a baking sheet with parchment or wax paper.
2. Place chocolate chips in a small glass bowl. Microwave on medium for 1 minute. Stir, then continue microwaving in 20-second intervals until melted, stirring after each interval. (Alternatively, melt in the top of a double boiler over hot, but not boiling water)
3. Dip half of each pineapple ring into the melted chocolate. Let the excess drip back into bowl. Place the dipped fruit on the prepared baking sheet. Sprinkle macadamia nuts over the chocolate. Refrigerate until the chocolate is set, about 30 minutes.

Exercise Explained

The Importance of Adding Stretching to Your Workout Routine

Reasons to include stretching:

- Increases range of motion
- Decreases risk of injury
- Increases flexibility
- Increases the efficiency of muscles
- Increases blood flow to the muscles

Tips for including stretching

- Never stretch cold muscles
- Bouncing may lead to injury.
Hold the stretch without bouncing
- Hold the stretch for 30 seconds
- Focus on the major muscle groups
- Aim to have both sides equally flexible

Elizabeth's 2 cents

Holiday parties can be tricky, especially if you are focusing on healthy eating. Try these tips to prevent over indulging:

1. Always have a glass of water in your hands. This will occupy your hands so you are less likely to grab food.
2. Do not hang out next to the food table. If the snacks are in the kitchen, hang out in the living room.
3. Bring a vegetable based side dish or appetizer.
4. If you are going to a restaurant look at the menu before you go. Decide on your meal before even walking into the restaurant.
5. If you're going to a buffet, go through the line once without a plate and plan what is worth eating, trying or leaving alone. Remember to make half your plate vegetables.
6. Holiday Parties are social events!! It is hard to be social when you have food in your mouth.

Banana Pancakes– Bariatric recipe

This is a bariatric recipe but anyone can enjoy this high protein meal.

Ingredients:

- 1/2 very ripe banana, mashed
- 1 egg
- 1/4 tsp cinnamon
- Pinch nutmeg
- Small splash of vanilla
- 1-3 packets of Splenda (to taste)
- Pinch salt

Beat together all ingredients. Cook silver dollar sized pancakes over medium-low heat on a non-stick griddle sprayed with non-stick cooking spray until nearly done all the way through before flipping. These are crepe-like pancakes that are sweet enough without toppings. Makes 1 serving
