BUSINESS SPOTLIGHT

GREVIOR FURNITURE located on Central Street near Trestle View Park, has been a staple of downtown Franklin since 1931. They have been a family-owned business for four generations. They have been through many trials and tribulations in their years of business. All of this experience, combined with hard work and dedication, has led them to their current location (after three previous business sites). They call Central Street home.

Grevior Furniture is a retail furniture store with six floors and over 30,000 square feet of retail space. They can fulfill all of your furniture needs. Whether you are stopping in to see a friendly face, talk about Franklin's new revitalization, pet and schmooze with one of the family dogs or just to pick out the perfect furniture for your home or business, Greviors is here to help you. They are always a hometown favorite. Thank you to the Grevior Family for all you continue to do for our community.
