

Rivers and Lakes Management and Protection Programs  
Watershed Management Bureau, Water Division  
NH Department of Environmental Services  
29 Hazen Drive, P.O. Box 95  
Concord, NH 03302-0095  
(603) 271-1522

UMRLAC needs your help in serving on the Committee to represent the City of Franklin. Currently, Franklin is represented by two members on the committee, but may have up to four. UMRLAC members must reside in New Hampshire and may represent a broad range of interests including local government, business, conservation interests, recreation, agriculture, and riparian landowners (those who own property adjacent to the river). Each member serves a term of three years. In the past, the NH Department of Environmental Services (NHDES) has found municipal officials - including planning board members, conservation commissioners and selectmen - to be valued and dedicated committee members. The nomination form can be found at <http://des.nh.gov/organization/divisions/water/wmb/rivers/documents/nhdes-w-07-030.docx>.

Please contact UMRLAC Chair Michele L. Tremblay at [MLT@naturesource.net](mailto:MLT@naturesource.net) if you have any questions about UMRLAC, or Tracie Sales, Rivers and Lakes Programs Manager at NHDES, at [Tracie.Sales@des.nh.gov](mailto:Tracie.Sales@des.nh.gov) or (603) 271-2959 if you have any questions about the nominating process. We look forward to receiving your nomination soon.
