Outstanding Performance Awarded to Franklin Police Department

The Franklin Police Department was awarded a certificate of outstanding performance on April 13, from The United States Attorney's Office for the District of Maine for their thorough investigation in the case of the United States v. Joseph Richards, Crystal Dufault and Neil West. These related cases involved the prosecution of Richards, Dufault and West for the August 3, 2015 armed bank robbery of Norway Savings Bank in Freeport, Maine; the August 14, 2015 armed bank robbery of Franklin Savings Bank in Franklin, N.H.; the September 4, 2015 armed bank robbery of University Credit Union in Portland; and the September 12, 2015 armed bank robbery of TD Bank in Lewiston, Maine. The TD Bank robbery resulted in a high-speed chase which reached speeds in excess of 100 miles per hour and culminated in Saco. Following the chase, West and Richards were

arrested. At the time they committed these robberies, both West and Richards were on federal supervised release for prior bank robbery convictions. The investigation of this multi-robbery case involved the execution of several search warrants, obtaining photographic and video evidence, interviewing numerous victims and witnesses and listening to hundreds of jail calls. The success of the case was due in large part to skillful coordination among all of the local, state and federal agencies involved. Joseph Richards pled guilty in January 2016 and was sentenced to 15 years in prison on September 14, 2016. Crystal Dufault pled guilty in December, 2015 and was sentenced to 36 months in prison on October 4, 2016. Neil West Sr. was found guilty in July of 2016 following a jury trial in US District Court of armed bank robbery and conspiracy to commit bank robbery. West was sentenced to 14-1/2 years on November 30, 2016,

Police Chief David Goldstein

The United States Attorney's Office for the District of Maine recognized the Franklin, New Hampshire Police Department for their outstanding work in the case of United States v. Joseph Richards, Crystal Dufault and Neil West.

Franklin's New Website

Franklin's new website went live in June.

The public can now view the city wide maps by clicking on tax "mapping" in the Citizen Action Center.

Once our assessing system is fully converted the public will be able to download and view tax cards also. Visit www.franklinnh.org

Business Spotlight on Grevior Furniture

Grevior Furniture is a multi-generational family owned and operated business located in Franklin for over 80 years. Nate Grevior started the furniture store in the basement of the old Baptist Church on the corner of Church and Franklin Streets in 1932.

Grevior Furniture has weathered the storms over the years, including two floods, four fires and a building collapse.

The business expanded over the years and now showcases a large variety and styles of furniture in their 30,000 square-foot showroom.

Owners Robert and Andrea Grevior and their son Jason represent three generations of sales and service.

Bob Grevior and his wife Andrea are second generation owner of Grevior furniture

Keeping in-line with the Grevior's family support of local charitable groups and organizations, Jason Grevior has recently joined City Manager Elizabeth Dragon's committee that meets every other week at City Hall to discuss, plan and bring to fruition the Mill City Park concept.

Jason expects the subcommittee to accomplish a great deal on Franklin's behalf. He said, "I expect the subcommittee to assist in changing the face of Franklin. What they want to do with the park looks absolutely beautiful!" A native of Frank-

Jason Grevior joins Franklin subcommittee that is working towards Franklin's revitalization.

lin the changes Jason has most recently seen in the City is the "effort being put forth for change. Politicians are coming to Franklin and grants are being pursued. It would really change the face of Franklin to see a amphitheater theatre along side the river with kayakers and fishing. I expect the subcommittee will get a lot accomplished that will not only make changes behind the scenes but visible changes of improvement that will create a momentum of getting a lot accomplished and that's what the City needs to get going."

Welcome New City Employees

Jonathan Francis

The Franklin Police Department would like to welcome our newest Patrol Officer, Jonathan Francis. Officer Francis and his family are residents of Ashland and he comes to us from the Bristol Police Department where he served as a full-time uniformed officer for approximately 3 years.

Officer Francis is a graduate of the 167th New Hampshire Police Academy and has received specialized training in dealing with active shooter situations.

James McKim

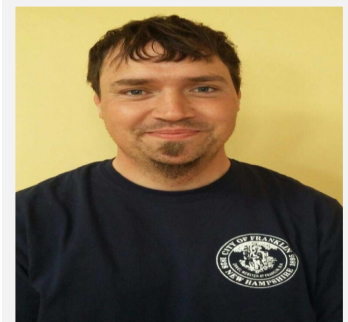

James McKim is the new full time Building Custodian at the Bessie Rowell Community Center. McKim brings with him an extensive amount of experience in building maintenance and a strong work ethic. Zachary Adams has been hired by the Sewer Department as a Light Equipment Operator.

Richard Morton Jr. has joined the Buildings and Grounds Department as a Groundskeeper. Morton was previously employed at the Laconia Country Club for seven years and has extensive experience in turf and landscape maintenance.

Zachary Adams

Zachary Adams has been hired by the Sewer Department as a Light Equipment Operator. Zach is very knowledgeable in contracting site work and can operate various types of machinery. He brings with him two years of prior experience in the Water Department.

Richard Morton

Continued from pg. 2- Trestle View Park

There are two important outdoor connections between the City of Franklin and the Winnepesaukee River. One is Trestle View Park. Located at the Sanborn Bridge on Central Street, this park was made possible by the generous gift by the Grevior Family. The park land was once privately owned and a restaurant was located there. It burned in the late 1990's, and the Grevior family acquired the land, and in 2002 they donated it to the City for the establishment of the park. The gift of the land was used as a match for a grant from the NH Land and Water Conservation Fund to construct the park. Local businesses, Franklin Savings Bank and Beck & Bellucci to name two, contributed assistance to make Trestle View Park a reality.

The second connection is the Winnepesaukee River Trail, which was also made a reality due to the dedication and hard work provided by concerned citizens and businesses. The Trail, which runs from Trestle View Park to the Town of Tilton along the river, is used for walking and biking. Both the Park and the Trail will be important parts of the overall revitalization efforts now underway in the City.

Choose Franklin Community Day

Choose Franklin held the 10th annual Community Day on Saturday, May 10th at Odell Park. There was a kick-off parade, vendors, food, crafts, laser tag, a climbing wall, bungee jump, bounce house, entertainment and more!

Jim Jones from the Franklin Outing Club

Maggie Lohmann from the Chem-Free After Prom

Lauren Charbono from Central Sweets Candy Store is passing out fudge samples.

From Franklin Savings Bank Kathy Haines and her son Eric are passing out popcorn and balloons.

Elizabeth Clark from White Tiger Karate

Municipal Services Department

Director Brian Sullivan

- **Gulley Washers**

It is the Season - heavy rainfall at a rate of over 1" per hour can wreak havoc with City road shoulders resulting in washouts. It is a great help to our limited highway crew if you can assist by keeping storm water drains and driveway culverts free of debris which obstructs water flow. This would help year round and especially when heavy rainfall is expected.

- **Updated City Website**

City Departments are in the process of updating their websites. We are working on providing more thorough and updated information about the MSD seven division department. A section will be added entitled "Frequently Asked Questions" (FAQ). Your patience during the process of redesigning the site is appreciated.

- **Curbside Trash and Recycling Pickup**

Regular updates are available on the 'Solid Waste Hotline' by contacting 603-934-4103 extension 12. In the event your curbside trash or recycling cans are not picked up it could be due to unforeseen factors which happen infrequently. If this happens leave your can(s) out as we will pick up the following day.

- **Empty Cans Removed Promptly from Roadside**

All three curbside trash and recycling routes require the emptying of well over 1,000 trash and recycling containers each per week. This equates to 3,000 dumps per week for trash and 3,000 dumps per week for recycling. For this reason it is imperative that once emptied, the containers should be promptly brought in off the road. Also, it is a great help to put cans out only when they are full. This avoids the unnecessary dumps of half full and empty containers and saves on equipment wear and tear.

- **City Sanitary Sewer Assessment**

In December 2016, we interviewed three engineering firms to perform the "City Franklin, NH, Sanitary Sewer Assessment". Underwood Engineering was awarded the contract and flow meters have been installed on schedule. On March 15th, we initiated the collection of flow data to identify areas of fresh water intrusion (I and I) into our wastewater collection system. Our first set of results from mid-March to Mid-April flow data was reviewed on Thursday, April 27th. As of June 23rd all the flowmeters have been removed. You will get a progress report and more comprehensive update in the August newsletter as we anticipate phase one of the assessment to be complete.

- **Public Drinking Water System**

Annually USEPA requires that all public drinking water systems submit an annual "Consumer Confidence Report" to the customers of a public drinking water system. This report was mailed to the "Owner of Record" for each property connected to a public water system. We recently completed our annual report and it was mailed out in mid-June. It is also available on the City Website; posted in Municipal Buildings and available at the Municipal Services Department Office, 43 West Bow Street in Franklin, NH 603-934-4103.

- **Dedicated Citizen Jeff Perkins**

Over the past few years, Jeff has been walking City streets doing litter pickup. His efforts have resulted in well over a thousand bags of litter being removed from Franklin's highways. Without this assistance from Jeff, we would not have litter free public ways. His assistance is appreciated.

- **Spring Road Work**

Spring work on several road projects is well underway. The 1.8 mile section of Prospect Street from #305 Prospect to the Northfield town line has been completely rebuilt. We have started work on Woodrow Avenue; Sanborn Street from Kendall Street to Babbitt Road; and will be completing these along with the section of Terrace Road from Pleasant Street to Davis Street by mid-July. At that point we will move to Davis Street for full depth reconstruction.

- **Solid Waste Disposal**

Over the past three months a record amount of all types of solid waste was processed through the Transfer Station. Demolition debris, electronics, tires, brush and leaves are some of the major quantities we are processing. The volume of solid waste processed demonstrates that property owners are performing major cleanup. Please keep up the good work of eliminating unwanted trash, furniture, tires and all other types of accumulated debris from your property.

- **Household Hazardous Waste Collection Day**

Household hazardous waste collection day is on July 29th, from 8:30 AM until NOON at the Municipal Services Department located at 43 West Bow Street. Please see our posting on the Franklin City website for full details.

If you have any questions or topics you would like me feel free to give me a call. As always, thank you for your support of the Municipal Services Department!

City Employment

The following employment opportunities are available in Franklin. For a detailed description of the job opening and application information visit the Franklin City website <http://www.franklinnh.org/city-manager/pages/employment-opportunities> Departments post jobs when they become available. Check this site frequently for updates. The City of Franklin is an Equal Opportunity Employer.

Parks and Recreation

Before and After School Program Director

The City of Franklin Parks and Recreation Department seeks a qualified individual for the position of Before and After School Program Director. The Program Director will successfully implement and monitor the 21st Century Franklin Before and After School Program grant and to insure the long-term sustainability of the program. The Director must be a team player with the ability to juggle assignments and multi-task , manage the program budget, evaluation and reporting, develop relationships and coordinate with various community organizations.

This is a part-time position averaging 34 hours of work per week including evening and weekend hours and occasional holidays. Bachelor's Degree in a related field and three or more years of experience working with adolescent youth and families or the equivalent number of years of experience in community education programming. Salary is \$20 per hour, benefited position. Initial review of applications will be on June 16th, 2017, but the position will remain open until filled.

A complete job description may be obtained at the Franklin Parks and Recreation Department. A City of Franklin application is required. Please email kalpers@franklinnh.org, visit 12 Rowell Drive, Franklin, NH, 03235, or call 603-934-2118 for more information and an application.

Franklin Fire Department

Call Fire Department Openings (firefighters and support personnel)

The Franklin Fire Department is seeking motivated and energetic individuals to join our team of community service responders. Successful candidates will fill positions on our Call Company. On Call members are needed for response to larger incidents to assist with mitigation and support. These positions demand commitment and dedication.

Park and Recreation Positions

The Franklin Parks and Recreation Department seeks qualified individuals for seasonal and school year positions. Applications will be accepted until position is filled. A complete job description and job application form may be picked up at the Bessie Rowell Community Center, 12 Rowell Drive, Franklin, NH 03235 or by calling (603)934-2118. Continue reading the employment opportunities on the Parks & Recreation Employment page.

Patrol Officers

The City of Franklin offers law enforcement patrol officers an exciting, dynamic, and challenging career opportunity.

Patrol Officers

The City of Franklin offers law enforcement patrol officers an exciting, dynamic, and challenging career opportunity. Members of the patrol division strive to preserve the peace and protect life and property within the City through proactive and directed patrol initiatives. Members serve as the City's first line of defense against criminal enterprise and law violators. As the most visible and most accessible members of the Department, Patrol Officers have ample opportunity to interact with the public and promote public safety. Continue reading the job description for this position on the Police Department Employment page.

HAPPENINGS AT THE FRANKLIN FIRE DEPARTMENT

WATER SAFETY!

Wearing a Life Jacket Can Save Your Life

To ensure you survive unexpected slips or falls overboard wear your life jacket, because it buys you time to be rescued. It only takes an adult an average of 60 seconds to drown and on average it takes 10 minutes for a strong swimmer to put on a life jacket after entering the water. If you will not wear it for yourself then wear it for those who love you.

What if...

Someone you were with fell out of a boat without their life jacket'

You can follow these four basics steps to help: REACH, THROW, ROW and GO.

1. REACH: Hold on to the dock or your boat and reach your hand, a boat oar, a fishing pole, or whatever you have nearby, to the person
2. THROW: If you can't reach far enough, toss things that float for the person to grab
3. ROW: If you're in a boat, use the oars to move the boat closer to the person in the water, or call out to a nearby boat for help. Don't use the boat's motor close to a person in the water, they could be injured by the propeller
4. DON'T GO: Don't go into the water unless you are trained. Call out for help
Remember, even a strong swimmer can drown trying to help others. If all else fails, go for help!

Watch Your Children

You may not expect your child to reach overboard or turn the boat key to see what might happen so be alert. It takes an average of 20 seconds for a child to drown so always make them wear a life jacket and never take your eyes off of them around water.

Drowning is a Silent Killer

An estimated 60% of all drownings are witnessed, because people are unable to identify the four signs of a drowning victim. Signs are head back (bobs up and down above/below the surface), mouth open, **no sound** and arms outstretched moving simultaneously in an above-the-water, up and down stroke that appears as if they are slapping or playing in the water.

RIVER SAFETY!

Swollen rivers and streams are VERY DANGEROUS. It may seem very appealing to enter the river on a hot summer day. River currents can sweep a swimmer away in seconds. Only trained kayakers should navigate the water. ALWAYS WEAR A LIFE JACKET!

DANGER SIGNS-

1. High water
2. Muddy water
3. Debris in water
4. Ground erosion
5. White water

A huge THANK YOU to the Webster Lake Association for honoring Firefighters at their annual 4th of July breakfast and boat parade.

back and use them later.

Franklin Parks & Recreation Department

Programs & Activities - Summer 2017

The Franklin Parks and Recreation's Summer Program is based out of the Bessie Rowell Community Center. The Bessie Rowell Community Center provides ample room for both sunny day and rainy day activities. With multiple classrooms, the gym, and the stage, our participants have plenty of space to spread out and take part in a number of activities all happening at the same time. This offers more choices and a chance for the older and younger children to partake in separate and more age-appropriate events. The Community Center houses a designated game room with pool, ping pong, foosball, and air hockey; an arts and crafts room; an activity room with books, board games, legos, activity sheets, and more. On sunny days, the Center offers expansive, on-site field space and playground area, again giving the children much-needed space to spread out and enjoy a number of sporting games, activities, and special events. In addition to our weekly Beach days, and field trips all across New Hampshire, we are located close to Odell Park, Daniell Park, the Library, and The Franklin Falls Dam, all of which provide a chance for a group walk, new and exciting play spaces, and new scenery for the children to enjoy. Add to all of this a warm and caring staff who are also all CPR and First Aid certified, and there is no better way for your child to spend their summer.

Ages: Kindergarten - 8th grade (must have completed Kindergarten)

(Children are separated into groups by age)

Program Dates: Monday, June 26th through Friday, August 25th (There is no camp July 4th)

Hours: 6:30am - 6:00pm - Monday—Friday

Our daily program will run from 9:00am to 4:00pm.

There is an additional fee for extended hours (6:30am-9am & 4pm-6pm).

Breakfast & Lunch: A **FREE** healthy breakfast and lunch is provided by USDA, an equal opportunity provider.

Cost: Full Time (weeks 1-7) - \$370 (resident) / \$555 (non-resident)

Part Time (per week for week 1-7) - \$55 (resident) / \$80 (non-resident)

Extended Program (weeks 8 & 9) - \$65 per week

*** Fully Licensed Facility

*** State of NH Child Care Assistance is accepted

Week 8 - Franklin Zoo- \$20

Payment Information:

Twenty-five percent (25%) of the total fee is due at registration. The total fee must be paid by Friday, June 23, 2017. If payment in full has not been made by June 23rd, your child will no longer be eligible for the program. **Please note that your child is not considered fully registered for the summer program, until you have paid in full.** Payment arrangements can be made with the Director prior to the beginning of camp.

Family Package:

The first two children will pay full price, and any child after that will pay half price for the full summer Program. Early and late fees and optional field trips will not be considered for half price.

Summer Camps & Lessons

All camps offered have an additional fee. Participants may sign up for the camps only, but must provide their own transportation. For those participants enrolled in the Summer Program, transportation will be provided to all camps (bus or by walking). If signed up for a camp that runs on Friday, parents must make arrangements for afternoon care as the other campers and staff will be on a field trip. All prices are final; trips may be canceled or changed. Please note, dates and times may conflict with other programs.

JUNIOR GOLF PROGRAM

The Franklin Parks and Recreation Department is offering a two week Junior Golf Program through the Mojalaki Golf Club. Dates are July 24, 26, 28, August 1. Lessons are 90 minutes long and beginners will start at 9:30am and advanced will begin at 11:00am. Transportation will be provided to and from the golf course from the Community Center. Participants will receive instruction through the various aspects of golf as well as etiquette, trouble shots, and rules. There is a \$10.00 (resident)/ \$20.00 (non-resident) fee for participants.

YOUTH STAND UP PADDLE BOARD LESSONS AT WEBSTER LAKE

Outdoor New England (ONE) is offering 90 minute group lessons at Webster Lake. Lessons begin with a 15 minute on land fundamental discussion. Followed by 45 minutes of coaching, instruction and activities. The lesson concludes with 30 minutes of solo paddling and exploration. During the lesson students will learn proper positioning, paddling technique, safety, & re-boarding after falling. There will be 4 sessions - July 25th, August 1st, 8th & 15th from 1pm-2:30pm. Participants may sign up for one session or all. The lesson will be \$20 per student per lesson. All equipment is included.

LEARNING TO ROLL A WHITEWATER KAYAK AT WEBSTER LAKE

Outdoor New England (ONE) is offering a 4 week camp on Tuesdays for 90 minutes at Webster Lake. This program is perfect for beginners to learn how to whitewater kayak in a safe environment. We introduce the students to the equipment and proper technique all while having fun! The end of the program culminates in students learning to roll a kayak by themselves. The camp will run on July 25th, August 1st, 8th & 15th from 11:00am-12:30pm. The camp will be \$70 per student. All equipment is included.

SWIM LESSONS

The Franklin Parks and Recreation Department is offering swim lessons at Webster Lake's Griffin Beach to children age 3 and up. Classes are 45 minutes long (30 minutes for ages 3-5) The cost for swim lessons is \$35.00 (resident)/\$45.00 (non-resident) per child. There is an enrollment limit of 10 children per level.

Level 4: Skill development, front/back crawl, elementary backstroke, breast stroke etc.

Level 5+: Endurance, diving, skill development.

FRANKLIN AREA CHILDREN'S THEATER DRAMA PRODUCTION

The Franklin Opera House and the Franklin Parks and Recreation Department are proud to sponsor F.A.C.T (Franklin Area Children Theater) for children. Children will have the chance to work with a trained theater director, and learn basic on-stage theater skills as well as technical aspects of theater to present "The Rockin Tale of Snow White". Drama will run from July 5th—July 27th. The students will meet Mondays and Wednesdays from 4:00-5:30pm to prepare for a final presentation on July 26th at 1:00pm & July 27th at 7:00pm. Rehearsals will be at the Bessie Rowell Community Center. There is a \$15.00 (resident)/ \$20.00 (non-resident) fee for participants. Pre-sale tickets will be offered to families of enrolled students for a discounted fee of \$5.00 per ticket. Tickets must be purchased by July 22nd to receive the presale discount, (max of 6 tickets per family). Otherwise tickets may be purchased at the Opera House. (If not enrolled in the Summer Program, please sign up at the Opera House).

FRANKLIN SUMMER SOCCER CAMP

GPS SOCCER CAMP

Join GPS's professional soccer coaches in a soccer camp that provides soccer education to players of all ages and abilities through a structured developmental program. **GPS has a scholarship program in place for any family looking for financial aid.** We want it where no family feels they can't send their child to a NHPSA camp due to cost. For more information on this exciting camp or to register please contact the Franklin Parks and Recreation Department at 934-2118. All campers will receive a t-shirt and other promotional gifts from the sponsors.

Summer Camps

LEGO CAMP

This Summer Franklin Parks & Recreation will be partnering with Play Well to offer a LEGO® Camp. Kids are already naturally gifted creators. They will get added inspiration from Play Well's specially trained instructors. They dive into our massive collections of LEGO®. And while they build elaborate objects, structures, and vehicles, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long-lasting. Sign up for one or multiple days!

Who: Intro to STEM with LEGO - ages 5-6 - 9:30am-12:30pm

STEM Challenge with LEGO - ages 7-13 - 1pm-4pm

When: August 14th - August 18th (no camp on 8/17)

Where: Bessie Rowell Community Center

Fee: \$20 per day

Registration Deadline: August 7th

TENNIS LESSONS

BEGINNER: This introduction program is designed to develop early tennis skills by teaching the basic foundations of tennis. Participants will learn the basic rules of tennis as well as basic technique: movement skills, racquet skills, hand-eye coordination, and basic vocabulary.

ADVANCED: This advanced program is designed to further tennis skills by teaching ground strokes, serving, volleys, overheads, and vocabulary.

Who: Ages 5-16

When: July 24th - August 2nd - Monday, Tuesday, Wednesday

Time: Advanced- 9:30am-11:00am / Beginner- 11:00am-12:30pm

Where: Odell Park Tennis Courts

Fee: \$20.00 (Resident) / \$25.00 (Non-Resident)

Registration Deadline: 1 week prior to Session Start Date

COUNSELOR IN TRAINING PROGRAM

The Counselor in Training (CIT) Program is available through the Franklin Parks and Recreation Department for students entering 9th grade in the fall (and older). This specialized program will offer the CIT a chance to gain experience in the area of summer recreation programming and supervising children ages 6-12. The CIT Program runs from June 20th - August 5th during the Summer Playground Program. For a complete description of the responsibilities and expectations for potential CIT's please stop by the Franklin Parks and Recreation Department. Interested individuals need to write an essay on why they would like to become a CIT and fill out a City of Franklin application. After essays are screened, the Franklin Parks and Recreation Department will arrange an interview with the individual; only 10 CIT's will be accepted. The fee is a \$50.00 (resident)/\$65.00 (non-resident).

FREE BEGINNER TENNIS LESSONS

Sponsored by Lakes Region Tennis Association

June 27th - August 3rd
At Odell Park Tennis Courts

Grades 1-4 - 5:30~6:30pm / Grades 5-adult - 6:30~7:30pm

Racquets are provided if needed. Must wear comfortable clothing and sneakers.
Pre-register at the Parks & Recreation Department.
Space is limited to first come first serve basis.

WHITEWATER RAFTING IN FRANKLIN

Your rafting adventure in Downtown Franklin will consist of two trips down the wet and wild Winnepesaukee River! Our qualified staff will guide you through the rapids and teach all participants to work together while bouncing through the rapids. The minimum age for this trip is 10 years old and anyone 17 and under must be accompanied by an adult.

The trip will last about 2 hours and 12-18 people can go at one time. Come by yourself and join a group or get a group or family together and come have some FUN!

All equipment is provided.

When: June 24th & 25th

Time: 9:00am, 12:00pm or 3:00pm

Cost: \$50 per person

Call 934-2118 to pre-register

Rent the Bessie Rowell Community Center

Having a birthday party, baby shower, bridal shower, or a holiday event and do not know where to hold it? Rent the Bessie Rowell Community Center to hold your next event. Please call the Franklin Parks and Recreation Department for more information.

Registration Information

Franklin Parks & Recreation programs are open to the community on a first come first serve basis. The program fee and registration must be submitted prior to the sign-up deadline. If class minimum is not met, class may be cancelled. Registration forms are available at the Bessie Rowell Community Center and on the web at www.franklinnh.org. Please make checks payable to **City of Franklin** and mail to 12 Rowell Drive, Franklin, NH 03235. For further information contact Krystal Alpers, Parks and Recreation Director at 934-2118 or kalpers@franklinnh.org. Office hours are Monday - Friday 9:00am - 5:00pm.

Franklin Parks and Recreation Booster Club

The Booster Club is continually trying to raise money for our scholarship fund and other needs for the recreation department. If you are interested in volunteering your time or can help out in any way please contact Krystal Alpers. Phone: 934-2118 / Email: kalpers@franklinnh.org

Give the Gift of Recreation

Help someone less fortunate by giving to our scholarship fund. This fund is used to offset program fees for families / participants that may not be able to afford a program on their own. We greatly appreciate and accept donations of any size. You may send checks made out to Franklin Parks and Recreation, with a note that it is for a scholarship.

Instructors Wanted

Have a talent or skill that you would like to share with your community? Please call the Franklin Parks and Recreation Department and we can discuss a program for you.

Bring Water, Snack & Helmets
Leaving from Surretet Battery Park

To the parents, grandparents and caregivers of the children of Franklin

*** Find us on facebook! "Franklin NH Public Library" – all events posted!**

The Franklin Public Library invites your child to participate in the 2017 National Summer Reading Program. The theme this summer is "Build a Better World!". The program sponsor is a national organization – the Collaborative Summer Library Program and also a state organization – CHILIS, the Children's Librarians of New Hampshire.

This year's theme is a celebration of making things, creativity and of course, reading! The Library has planned a summer full of events that encourage reading and having fun. It is always difficult to entertain our families with the costs of gas and travel. The Library is here for you, providing events close to home that are fun and free! Read the attached calendars to see all of our special events.

Of course, the most important part of any Summer Reading Program is the reading; in other words - BOOKS! Wednesday, June 21 is the first day to begin the "Build a Better World!" Summer Reading Program. The program continues for most of the summer, so it is never too late to start reading. Children can receive a bookmark and a bookchart to record the books they read. Our program's goal is to encourage children to read for enjoyment because reading is fun! To that end, we keep the rules to a minimum. The reward is in seeing how many books they can read over the summer. Another reward is getting to know the library better; we believe that young readers grow up to become adult readers.

So, be sure to come to the Franklin Public Library at 310 Central Street this summer. Check out books and magazines, movies, music, use a computer, or play games. The Library has so much to offer to you and your children. Have fun reading and creating this summer so that we can all "Build a Better World!".

Happy Reading,
Rachel Stolorow
Children's Librarian
