

Magic Blades Figure Skating Club

As Summer Winds Down: Register Now for Fall and Winter Skating

Registration is now open for Magic Blades Figure Skating Club of Tilton. With three six-week sessions, there's room for every-one of every age and ability.

When the Tilton ice is ready, lessons will begin Monday September 17th at 6:00 at the Tilton School Ice Arena. Skaters are divided into levels based on skill, and each skater has a 30-minute group lesson and 30 minutes of practice ice. Parents of the youngest beginners are welcome to join their skater during free-skate time.

A limited amount of good used skates are available for purchase or seasonal rental. Inquire with the Club about sizes, and show up early on Sept 17th to try on skates. Someone will be at the arena between 4:30-6:00 to assist with skates and online registration.

Each six-week session is \$80, but family and multiple session discounts are available as well as an early-bird discount for registering before August 31st. Discounts are automatically applied when you register online.

Magic Blades is one of over 1000 clubs sanctioned by US Figure Skating's "Learn to Skate USA" program. Membership includes a skill book and badges earned for each level from Snowplow Sam 1 (ages 3-6) to Freestyle 6 (advanced skaters).

This year the club is planning to repeat its holiday performance in December that is free to the public.

For more information see the registration page at "magicblades.org" or email information@magicblades.org.
