2023 Franklin Farmer's Market

Vendor Application/Registration Form

Vendor Name:_____

Contact Person:_____

Mailing Address:_____

Telephone #:_____

E-Mail:_____

Description of Product:

Marceau Park has limited ability to vend out of the back of your car/truck. While we understand that many vendors prefer vending from their vehicle, we will have limited space to do so. Therefore, with proper planning, we should be able to accommodate the vendors needs as long as we know ahead of time. We are encouraging vendors not to vend from their vehicle if at all possible. Please check the box that best describes your vending ability:

☐ I have to vend out of my vehicle. List type of vehicle: _____

☐ I can unload my products and vend from a table in the park. (Must provide own table)

Do you have proof of insurance (Please send copy)?

By registering with this form, you are committing to being present each Thursday from 3-6pm at Marceau Park beginning June 22nd-September 14th. Please let the manager know about expected absence during that time. Set up for the fair will begin each week at 2pm. All vendors are asked to be present and ready to vend at 3pm.We ask that you NOT take down your booth until 6pm as we'll be advertising this timeframe to the public. Please stick to your assigned space unless you've approved a move with the market organizer.
