12. The applicant's right to review the guidelines and the responsibilities as set forth in the guidelines.

C. Responsibilities of Each Applicant and Recipient

At the time of the initial application and at all times thereafter, the applicant/recipient has the following responsibilities:

Any person may be denied or terminated from general assistance, in accordance with the City of Franklin Welfare Guidelines or may be prosecuted for a criminal offense if he/she, by means of intentionally false statements or intentional misrepresentation or by impersonation or other willfully fraudulent act or device, obtains or attempts to obtain any assistance to which he/she is not entitled.

D. Actions on Applications

1. **Decision:** Unless an application is withdrawn, the Welfare Director shall make a decision concerning the applicant's eligibility immediately in the case of an emergency, or within five (5) working days after completion of the written application. A written Notice of Decision shall be delivered or mailed on the same day or next working day following the making of the decision. The Notice of Decision shall state that assistance of a specific kind and amount has been given and the time period of aid, or that the application has been denied, in whole or in part, with reasons for denial. A decision may also be made to pend an application subject to receipt of specified information from the applicant. The Notice of Decision may contain a First Notice of conditions and shall notify the applicant of his/her right to a fair hearing if dissatisfied with the Welfare Director's decision.

2. **Emergency Assistance:** An emergency means a situation not arising from any action or lack of action by the client. At the time of initial contact, if the applicant demonstrates and verifies that an immediate need exists that poses an imminent threat to life or health, such as utilities or heat during the winter months, or the need for a life sustaining medication or food, and there is no referral that can be made to temporarily meet the need, then temporary aid to fill such immediate need may be given immediately pending a decision on the application. Such emergency assistance shall not obligate the Welfare Director to provide further assistance after the application process is completed.
3. **Temporary Assistance:** In circumstances where required records are not available, the Welfare Director may give temporary approval to an applicant pending receipt of required documents. Temporary status shall not extend beyond one week.
4. **Withdrawn Applications:** An application shall be considered withdrawn if:
 - a. The applicant has refused to complete an application or has refused to make a good-faith effort to provide required verifications and sufficient information for the completion of an application.
 - b. The applicant dies before assistance is rendered.
 - c. The applicant avails himself/herself of other resources in place of assistance.
 - d. The applicant requests that the application be withdrawn (preferably in writing).
 - e. The applicant does not contact the Welfare Director after the initial interview when requested to do so.

VI VERIFICATION OF INFORMATION

Any determination or investigation of need or eligibility shall be conducted in a manner that will not violate the privacy or personal dignity of the individual or violate his or her individual rights.

A. Verification will normally be required of the following:

1. Applicant's address
2. Names of persons in applicant's household residential unit
3. Positive identification and social security information of dependents
4. Applicant's and household's income and assets
5. Applicant's and household's financial obligations
6. The physical and mental condition of household members, only when relevant to their receipt of assistance, such as ability to work, determination of needs or referrals to other forms of assistance
7. Any special circumstances claimed by applicant
8. Applicant's employment status and availability in the labor market
9. Names, addresses and employment status of potentially liable relatives
10. Utility costs
11. Housing costs
12. Prescription costs
13. Facts relevant to the applicant's residence
14. Names, addresses and employment status of individuals potentially liable to the City for reimbursement of benefits provided.

B. Verification may be made through records provided by the applicant (for example: birth and marriage certificates, pay stubs,

paychecks, rent receipts, bankbooks, etc.) as primary sources. The Welfare Director shall inform the applicant what records are necessary and the applicant is required to produce records within seven (7) days. However, the Welfare Director shall not insist on documentary verification if such records are not available, but should ask the applicant to suggest alternative means of verification.

- C. Verification may also be made through other sources, such as relatives, employers, banks, school personnel, and social or government agencies. The cashier of a national bank or a treasurer of a savings and trust company is authorized by law to furnish information regarding amounts deposited to the credit of a recipient. RSA 165:4
- D. The Welfare Director may seek statements from the applicant's former employers and from legally liable relatives regarding their ability to help support the applicant.
- E. Should the applicant or recipient refuse comment and/or indicate an unwillingness to have the Welfare Director seek further information that is necessary, assistance will be denied for lack of eligibility verification.

VII DISBURSEMENTS

The City of Franklin pays vouchers directly to vendors or creditors up to the dollar amount designated on the voucher, or for the actual amount listed on an itemized bill or register tape if less than the voucher amount. The food voucher lists specific foods and non food products that can be purchased. It is the responsibility of the food voucher recipient to follow the list and not to purchase or attempt to purchase items not listed on the food voucher. Misuse of the food voucher will be grounds for suspension. It is the responsibility of the applicant to safeguard from theft, loss or misuse of any voucher he/she receives. No duplicate voucher will be issued if the original is lost, stolen, misplaced or misused.

VII DETERMINATION OF ELIGIBILITY AND AMOUNT

A. Eligibility Formula

A person is eligible to receive assistance when:

1. He/She meets the non-financial eligibility factors, and
2. When the applicant's basic maintenance needs exceed his/her available income plus available liquid assets. If available income and available liquid assets exceed the basic maintenance need (as determined by the guideline amounts), the person is not eligible for general assistance. If the need exceeds the available income/assets, the amount of assistance shall be the difference between the two amounts, in the absence of circumstances justifying an exception.
3. The State of New Hampshire has allowed in RSA 165:1 e, the City of Franklin to deem as income all or any portion of any qualified state assistance reduction resulting from the failure of an applicant for general assistance to comply with Employment Program Work requirements. The amount of the reduction will be calculated in determination of eligibility (Effective 8/2/1996)

B. Legal Standard and Interpretation

"Whenever a person in any town is poor and unable to support himself, he shall be relieved and maintained by the overseers of public welfare of such town, whether or not he has residence there." RSA 165:1

1. A person cannot be denied assistance solely because he/she is not a resident.
2. "Whenever" means at any or whatever times that person is poor and unable to support himself/herself.
 - a. The Welfare Director or City Manager shall be available during normal working hours.

- b. The eligibility of an applicant for general assistance shall be determined as soon as possible but no later than 72 hours from the time of first contact of the emergency, or within five (5) working days upon completion of the application.
 - c. Assistance shall begin as soon as the person is determined eligible.
- 3. "Poor and unable to support" means that an individual lacks income and available liquid assets to adequately provide for the basic maintenance needs for himself/herself or family as determined by the Guidelines.
 - 4. "Relieved" means a person shall be assisted, as the Welfare Director shall determine, to meet those basic needs.

C. Non-Financial Eligibility Factors

- 1. **Age:** Age is not a factor in determining whether or not a person may receive general assistance. However, age may make certain persons ineligible for other kinds of state or federal assistance.
- 2. **Minors:** Minor applicants shall be referred to Protective Services of the Division of Children, Youth and Families for case management. Minors have the residence of their custodial parent.
- 3. **Residence:** Residence and residency shall mean a person's place of abode or domicile. The place of abode or domicile is that designated by a person as his/her principal place of physical presence for the indefinite future to the exclusion of all other. Such residence or residency shall not be interrupted or lost by a temporary absence from it if there is intent to return to such residence or residency as the principal place of physical presence. RSA 21:60
- 4. **Support Actions:** No applicant or recipient shall be compelled, as a condition of eligibility or continued receipt of assistance, to take any legal action against any other person. The City of Franklin may pursue recovery against legally liable persons or governmental units.

5. Eligibility for Other Categorical Assistance: Applicants or recipients who are eligible for any other form of public assistance, must apply for such assistance immediately, but no later than seven (7) days after being advised to do so by the Welfare Director. Failure to do so may render the applicant or recipient ineligible for assistance. No person receiving Old Age Assistance, or Aid to the Permanently and Totally Disabled, under RSA 167 or RSA 161, shall at the same time be eligible for general assistance, except for emergency medical assistance as defined. RSA 167:27
6. **Employment:** A person who is gainfully employed, but whose income and assets are not sufficient to meet necessary family expenses, may be eligible to receive general assistance. However, recipients who without good cause refuse a job offer or referral to suitable employment, participation in the Welfare Work Program (RSA 165:31), or who voluntarily leave a job (RSA 165:1 d) may be ineligible for continuing general assistance in accordance with the procedures for suspension outlined in the Guidelines. The Welfare Director shall first determine whether there is good cause for such refusal as outlined in RSA 165:1-d. These employment requirements shall extend to all adult members of the household.
7. **Work Search:** All unemployed recipients and adult members of their households shall, within seven (7) days after having been granted assistance, register with NHES to find work and must conduct a reasonable, verified job search as determined by the Welfare Director. Each recipient must apply for employment to each employer to whom he/she is referred by the Welfare Director. These work search requirements apply unless the recipient and each other adult member of the household is:
 - a. Gainfully employed full-time.
 - b. A dependent 18 years of age or under who is regularly attending secondary school.

- c. Medical documentation of inability to work due to illness or due to a mental or physical disability of himself/herself or another member of the household; or
- d. Is solely responsible for the care of a child aged five (5) or under. A person responsible for the care of a child aged six (6) through twelve (12) shall not be excused from work search requirements, but shall be deemed to have good cause to refuse a job requiring work during hours the child is not actually in school, if there is no responsible person available to provide child care and no other care is available. A person will be asked to demonstrate contacts made to locate childcare.

The Welfare Director shall give all necessary and reasonable assistance to ensure compliance with work placement requirements, including the granting allowances for transportation and work clothes. Failure of a recipient to comply with these requirements without good cause will be reason for denial or sanction of assistance.

8. Disqualification for Voluntary Termination of Employment:

Employment: Any applicant eligible for assistance who voluntarily terminated employment shall be ineligible to receive assistance for 90 days from the date of employment termination, provided the applicant:

- a. Has received local welfare within the past 365 days; and
- b. Has been given notice that voluntary termination of employment without good cause could result in disqualification; and
- c. Has terminated employment of at least 20 hours per week without good cause within 60 days of an application for local welfare; and
- d. Is not responsible for supporting minor children in his/her household; and
- e. Did not have a mental or physical impairment, which caused him/her to be unable to work.

9. **Students:** Applicants who are college students not available for or refusing to seek full-time employment are not eligible for general assistance.
10. **Non-Citizens:** The Welfare Director may, in his/her sole discretion, provide limited assistance to non-citizens not otherwise eligible for general assistance.
 - a. A non-citizen who is not:
 - i. A qualified alien under 8 USCA 1641,
 - ii. A non-immigrant under the federal Immigration and Nationality Act, or,
 - iii. An alien paroled into the United States for less than one year under 8 USCA 1182(d)(5), is not eligible for general assistance from the municipality. 8 USCA 1621 (a)
 - b. Qualified aliens include aliens who are lawfully admitted for permanent residence under the Immigration and Nationality Act (8 USCA 1101 et seq.), aliens who are granted asylum under that act, certain refugees, and certain battered aliens. 8 USCA 1641
 - c. A non-citizen who is not eligible for general assistance may be eligible for state assistance with health care items and services that are necessary for the treatment of an emergency medical condition, which is defined as a medical condition (including emergency labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in:
 - i. Placing the patient's health in serious jeopardy;
 - ii. Serious impairment to bodily functions; or

- iii. Serious dysfunction of any bodily organ or part. 8 USCA 1621(b) and 42 USCA 1396(v) (3)
 - d. A non-citizen may also be eligible for general assistance for treatment of an emergency medical condition, pursuant to Section VII (10)(c) of these Guidelines.
 - e. Non-citizen applicants for general assistance may be required to provide proof of eligibility. 8 USCA 1625
11. Property Transfers: No person who is otherwise eligible shall receive such assistance if he/she has made an assignment, transfer or conveyance of property for the purpose of rendering himself/herself eligible for assistance within three (3) years immediately preceding his/her application. RSA 165:2b
12. **Employment of Household Members:** The employment requirements of these guidelines or participation in the workfare program shall be required for all adults aged 18 to 65 years residing in the same household, except those regularly attending secondary school or employed on a full-time basis, who are:
- a. Members of the recipient's household;
 - b. Legally liable to contribute to the support of the recipient and/or children of the household; and
 - c. Not prevented from maintaining employment and contributing to the support of the household by reason of physical or mental disability or other justifiable cause as verified by the Welfare Director.
13. The Welfare Director may waive this requirement where failure of the other household member to comply is not the fault of the recipient and the Welfare Director decides it would be unreasonable for the recipient to establish a separate household. RSA 165:32

D. Available Assets

1. **Available Liquid Assets:** Cash on hand, bank deposits, credit union accounts, income tax refunds, and securities are available liquid assets, insurance policies with loan value, 401k and other pension plans and non-essential personal property may be considered as available liquid assets when they have been converted to cash. The Welfare Director shall allow a reasonable time for such conversion. However, tools of a trade, livestock and farm equipment, and necessary and ordinary household goods are essential items of personal property, which shall not be considered as available assets.
- 2.
3. **Insurance:** The ownership of insurance policies does not affect eligibility. However, when a policy has cash or loan value, the applicant will be required to obtain and/or borrow all available funds, which shall then be considered available assets. Premium payment shall not be included as "need" in determining eligibility or amount of aid.
4. **Real Estate:** The type and amount of real estate owned by an applicant does not affect eligibility, although rent or other such income from property should be considered as available to meet the need. Applicants owning real estate property, other than that occupied as a home, shall be expected to make reasonable efforts to dispose of it at fair market value. Applicants shall be informed that a lien covering the amount of any general assistance they receive shall be placed against any real estate they own. (RSA 165:28) The Welfare Director shall not make mortgage payments when the applicant has a co-signer on the note. No escrow payments will be paid or figured in on the basic needs allowance for shelter costs. Water and sewer payments are the responsibility of the property owner. No water or sewer payments will be paid on behalf of a tenant.

E. Standard of Need

The basic financial requirement for general assistance is that a person be poor and unable to support himself/herself. A person shall be considered poor when he/she has insufficient available income/assets to purchase either for himself/herself or dependents any of the following services:

1. Housing:

- a. Shelters that provide life management support service will be used as necessary. When clients are housed in shelters at City expense, they will bank available assets to move into affordable housing:
 - i. If the applicant does not locate an available room, he/she shall notify the Welfare Director who will meet with the applicant as soon as possible to explore other options.
 - ii. When local hotels, motels, and/or rooming houses are not available and the season permits, the Welfare Director will attempt to place them in a campground. (In such cases, the Welfare Director will insure that the applicant has the necessary equipment [tent, sleeping bag, etc.]).
 - iii. When an applicant applies for assistance who has an extended (60 days or longer) or permanent loss of income in their household which makes their current rent unaffordable, the Welfare Director shall work with the client to assist them to move to more affordable housing. ~~Ideally this move should be made before the final step in the eviction process.~~ If no housing is available, temporary shelter placement may be used.
- iv. If there is not sufficient income in the household to support a larger unit, then: single adults will only qualify for rooming house or efficiency and a husband and wife with no children will only qualify for an efficiency and a husband and wife with one child under the age of two will only qualify for a one bedroom apartment.**

- b. **Rental Rates:** Depending on family and unit size, SHALL BE PAID AT THE RATE OF ½ OF THE RENT UP TO A CAP OF \$500.00 MAX. PER MONTH. THE TENANT WILL PARTICPATE IN THEIR HOUSING EXPENSES ALONG WITH THE CITY.

Rationale-The Cap of 500.00 is based on the last 4 years (2008-2011) average of rental assistance to the residents of the City of Franklin.

Also other communities have a cap-I believe a cap would be challenged as unfair when the rents are varied. A percentage of assistance with a cap is reasonable based on past history. (Attorney Paul Fitzgerald concurs)

Average rental assistance which has been 100% of the rent since 2001=\$458.00

My Welfare philosophy that the City should assist and not enables residents is a primary reason to pay partial rents. Studies show that allowing mutual aid moves people forward when they help to assist themselves.

delete(rental rates range from \$125./week to \$950 per month).

Consideration will be given to fair market rental rates when it is necessary to maintain housing and no other less expensive alternatives are available, in accordance with RSA 165.1.

- i. Assistance with rent will not be paid on housing that does not meet the criteria set forth by the Code Enforcement Office and the Fire

Department. Assistance with rent will only be paid on housing that has passed an inspection by the Franklin Code Enforcement Officer within the past 12 months and has no outstanding complaints with the Code Enforcement Office.

- ii. When a family/person is receiving rent subsidy through a program regulated by the Department of HUD, the city will enforce the responsibility of the \$25.00 deduction being made by HUD as a responsibility of the recipient and his/her family.

- c. **Arrearages:** Will not be paid except in an emergency situation where negotiations fail and eviction or repossession is imminent and no other affordable housing or shelter vacancy exists. Emergency means a situation not arising from any action or lack of action by the client. The City of Franklin assumes no deposits. It is not the responsibility of the Welfare Department to locate housing for applicants.

- d. **Relative Landlords:** Whenever a relative of an applicant is also the landlord for the applicant, the landlord will be presumed able to assist his/her relative pursuant to RSA 165:19, and must prove an inability to assist before any aid payments for shelter are made. Rent will not be paid to non-landlords such as friends and relatives.
- e. Client's name must be on the lease in order for rental assistance to be rendered.
- f. If eligible, the City of Franklin will pay condominium fees to prevent evictions.

2. Utilities

When utility costs are not included in the shelter expense, the most recent outstanding monthly utility bill will be included as part of "need" by the Welfare Director. Arrearages will not normally be included in "need" except as

set forth below: utilities must be in the client's name in order to render assistance.

- a. **Arrearages:** Arrearages will not be included except when necessary to ensure the health and safety of the applicant household or to prevent termination of utility service.
- b. *Electric Arrearages: Arrearages for electric service need not be paid if the Welfare Director notifies the electric company that the municipality guarantees payment of current and future electric bill as long as the recipient remain eligible for general assistance, in accordance with the rules of the New Hampshire Public Utilities Commission relating to electric utilities.*
- c. **Restoration of Service:** When utility service has been terminated and the Welfare Director has determined that alternative utility service is not available and alternative shelter is not feasible, arrearages will be included in "need" when restoration of service is necessary to ensure the health and safety of the applicant household. The Welfare Director may negotiate with the utility for payment of less than the full amount of the arrears and/or may attempt to arrange a repayment plan to obtain restoration of service.

3. **Food**

The amount included as "need" for food purchases will be in accordance with the most recent standard Food Stamps allotment, as determined under the program administered by the New Hampshire Department of Health and Human Services per RSA 161:12. An amount in excess of the Food Stamp allotment may be granted if a physician has stated in writing that one or more members of the household needs a special diet, the cost of which is greater than can be purchased with the family's allotment of Food Stamps. Food vouchers may not be used for alcohol, tobacco or pet food.

4. **Non-Grocery Items**

5. **Telephone**

If the absence of a telephone would create an unreasonable risk to the recipient's health or safety (verifiable in writing by a physician) or, for other good cause as determined by the Welfare Director, the lowest available basic monthly rate will be budgeted. The Welfare Director will not provide telephone equipment.

6. Transportation

If the Welfare Director determines that transportation is necessary (e.g., for health or medical reasons, to maintain employment, or to comply with conditions of assistance), "need" should include the cost of public transportation. If, and only if, the transportation need cannot be reasonably provided by alternative means, such as public transportation or volunteer drivers, a maximum of \$250.00 per month will be included in the budgeted expenses. for car payments and gasoline should be included as part of "need" when determining eligibility or amount of aid.

Other sources to be considered

shall include state and federal programs, local and area clinics, area service organizations and area hospital programs (including the Hill-Burton Act) designed for such needs. When a person applies for medical service, prescriptions, dental service or eye service to the local Welfare Director, he/she must provide written documentation from a doctor, dentist or person licensed to practice optometry in the area, indicating that these services are absolutely necessary and cannot be postponed without creating a significant risk that the applicant or recipient's well-being will be placed in serious jeopardy.
