### FRANKLIN ZONING BOARD OF ADJUSTMENT PUBLIC NOTICE

Wednesday, May 3, 2023, 6:30pm  
City Hall – Downstairs Conference Room

The Zoning Board will hear the following applications:

**Z 23-04:** Public Service of New Hampshire d/b/a Eversource Energy, is requesting a variance from 305-15.B "Height Regulations" to replace 46 existing non-conforming wooden poles with taller steel poles along the existing F-139 electric transmission line and 49 existing non-conforming wooden poles with taller steel poles along the existing A-182 electric transmission line. The wooden poles along the F-139 line range from 50-60 feet above ground and will be replaced with steel poles that will range from 60-90 feet above ground. The wooden poles along the A-182 line range from 55-105 feet above ground and would be replaced with steel poles ranging from 60-110 feet above ground.

**Z23-05:** Robert and Jennifer Hayward, owners, are seeking a special exception per 305.4 to open a family daycare for up to 6 children at 66 View Street. The property is located at Map/Lot 118-092-00 in the R3 [One, Two and Three-Family Residential] zoning district.

The application package is available for review on the City's website or at the Planning and Zoning Office, 124 Memorial Street, Mon – Fri, 8:30 a.m. to 3:30 p.m.
